
Developmental and Learning Evaluations

Is your child struggling academically or socially?

Psychological evaluations can help determine the cause of your child's struggles.

Our psychologists are trained in state of the art diagnostic tools to evaluate children who have any of the following problems:

- Learning Disabilities
- Attention Deficit/Hyperactivity Disorder
 - Autism Spectrum Disorder
 - Social Skills Deficits

We also offer other services such as:

- School Observations
- Advocacy at parent-teacher conferences
- Assistance in choosing the most appropriate public or private school
- Evaluations to qualify for accommodations on college entrance exams and graduate school admissions tests

Please call our office at (727) 725-8820 for more information about having your child evaluated.
